

MALLORY B.E. BACHES

URBAN DESIGNER AND CIVIC SPECIALIST

1 OF 3

CURRICULUM VITAE

Mallory B.E. Baches A.I.C.P. LEED-AP CNU-A focuses her professional practice on the intersection of planning and community development, exploring the relationship between the quality of physical realm and the strength of civic engagement, involvement, and investment. She excels in helping individuals, groups, organizations, and communities develop expanded civic networks and increase resource cultivation within a strengthened built environment. Mallory is a gifted urban designer, a practiced public speaker, and an accomplished author.

EXPERIENCE

- 2018 - present Program Coordinator, CONGRESS FOR THE NEW URBANISM Washington, DC
- Leads strategy in Empowering Cities and Towns, supporting member- and organization-led initiatives to respond to the demand for walkable urbanism
 - Directs the Project for Code Reform, an initiative in partnership with MEDC, MML, MPA, and AARP to empower incremental zoning code reform
 - Manages the #NUFuture initiative facilitated by the organization, seeking to refocus the mission of the New Urbanist movement for the next 25 years
 - Manages the Legacy Projects for CNU.27 Louisville, coordinating industry experts and local committees to leave a lasting impact on the Congress host city
- 2013 - 2018 Founder and Director, THE CIVIC HUB Beaufort, SC
- Guided individuals, groups, and communities to use design principles in the development of civic capacity within their towns and neighborhoods
 - Assessed and supported social capital expansion, increasing civic investment and encouraging social impact through strategic partnerships and initiatives
 - Lead creation of bespoke community outreach services, focused on client mission and local conditions in utilizing a collective impact approach
 - Served as the face and voice of firm practice through facilitation, lecturing, writing, and organizational representation and management
- 2011 - 2013 Executive Director, SEA ISLANDS 2050 Beaufort, SC
- Directed launch of the sustainability advocacy non-profit; implemented the mission, guided vision, and maintained organizational goals and objectives
 - Built strategic partnerships, supported hands-on collaboration, provided public education and initiative advocacy, and led solution implementation strategy
 - Maintained organizational management, oversaw public relations, and balanced fiscal duties with logistical coordination as the chief executive
 - Developed an organizational business plan, including community analysis, operating plan, governance strategy, and outreach planning
- 2007 - 2012 Co-Founder, RIVERVIEW CHARTER SCHOOL Beaufort, SC
- Launched first public charter school in Beaufort County SC currently serving 600 K-8th students with an "Excellent" state school report card rating
 - Helped in writing of school charter, including research of educational philosophy, curriculum themes, organizational approaches, and school culture
 - Collaborated in research, development, and implementation of significant programs and policies reflecting the mission and vision of the school
 - Spearheaded approval of school by local, state, and federal authorizing agencies and facilitated implementation of school operations for opening year
- 2004 - 2011 Co-Founder and Partner, DPZ • PACIFIC Kuala Lumpur, MALAYSIA
- Founded the first Duany Plater-Zyberk & Company affiliate, responding to demand for sustainable planning solutions in fastest-growing region of the world
 - Developed innovation in urban design process and traditional architectural expression, translating best practices for unique international conditions
 - Led firm management, procedural development, and financial oversight; provided public presentations, meeting facilitation, and consultancy support
 - Served as communication and outreach leadership for the firm, providing oversight of publication copy, media strategy, and organizational branding
- 2000 - 2004 Project Manager, DUANY PLATER-ZYBERK & COMPANY Miami, FL
- Delivered schematic architectural design, master planning, site analysis, and coding serving wide ranging project types and client needs
 - Managed project types ranging from greenfield to infill to downtown redevelopment to form-based code to sustainability-based to regional planning
 - Communicated with firm principals, staff, project consultants, vested officials, local community, and client team in delivering a successful project outcome
 - Chronicled principles and practices of firm work through both project publication documentation as well as regular journalistic coverage
- 1999 - 2000 Asst Town Architect, DUANY PLATER-ZYBERK & COMPANY Gaithersburg, MD
- Oversaw the implementation of Kentlands Architectural Code, reviewing builder submissions and coordinating with local planning approval department

MALLORY B.E. BACHES

2 OF 3

EDUCATION

1999	UNIVERSITY OF NOTRE DAME	Bachelor of Architecture
2018 (candidate)	UNIVERSITY OF OXFORD	MSc in Sustainable Urban Development

HONORS

2016	ATLAS COLLABORATIVE FOUNDATION	Trustee

EXPERTISE

- Urban design, theory, and planning, including the principles and practice of New Urbanism and current planning best practices
- Traditional architectural approach and application across the spectrums of building type and vernacular condition, both national and international
- Sustainability theory and integration into urban design and community development
- Digital medium use and curation, including its integration into design, communication, presentation, and outreach

SELECTED EXPERIENCE

THE CIVIC HUB

In founding The Civic Hub, Mallory's goal is to provide services to citizens and organizations seeking to improve their own communities but unsure of where to begin or without ample resources to do so. Building on her own experiences as a citizen activist, she has developed a series of engagement experiences that respond to a variety of group sizes and initiative scopes, emphasizing collaboration and supporting community building at every level of participation.

RURAL + CRITICAL

Serving as lead organizer of public education and outreach, Mallory worked with the Beaufort County Open Land Trust in campaigning for the 2012 ballot measure seeking re-funding of the Beaufort County Rural and Critical Land Preservation Program. Tasks included program branding and marketing, website development and social media presence, volunteer committee leadership and communication facilitation, community outreach planning and organization, public relations oversight, and news media coverage coordination. The ballot measure was successfully passed, approved by voters by a 2:1 margin.

SEA ISLANDS 2050

As founding Executive Director of Sea Islands 2050, Mallory's oversight included strategic partnerships, hands-on collaboration, public education, and initiative advocacy and implementation on behalf of the start-up sustainability advocacy nonprofit's membership. The role was an opportunity for Mallory to drive policy initiatives that sought broad-based community impact and left her with deep knowledge of local conditions, organizations, institutions, and civic leaders.

RIVERVIEW CHARTER SCHOOL

As a member of the school's Charter Committee, Mallory helped lay the groundwork for what Riverview Charter School is today. Her role gave her experience collaborating with educators, policy makers, fundraisers, legal experts, financial advisors, interested parents, and the community at large. She benefits from in-depth institutional knowledge as a school volunteer, committee member, former board member/ leadership, and parent of a current student.
